

EDUCATION		
I am enrolled in the dual degree programme in Mathematics and Physics, which admits 20 students annually and allows them to pursue both bachelor's degrees concurrently.		
<div>(Expected) June 2025 Sept. 2020</div>	<div>University of Barcelona Bachelor of Science in Mathematics • Bachelor's thesis (in progress): Yang-Mills Equations and Gauge Theories. • Supervisor: Prof. Ignasi Mundet.</div>	<div>GPA: 9.0/10</div>
<div>(Expected) June 2025 Sept. 2020</div>	<div>University of Barcelona Bachelor of Science in Physics • Bachelor's thesis (in progress): How Classical Shadows Improve Quantum Learning. • Supervisors: Prof. Bruno Julià, Dr. Artur Garcia.</div>	<div>GPA: 8.51/10</div>
<div>June 2020 Sept. 2018</div>	<div>Mireia Centre of Studies Technological Baccalaureate • 1st-ranked student of the class.</div>	<div>GPA: 10/10</div>
EXPERIENCE		
<div>Present Sept. 2024</div>	<div>Barcelona Supercomputing Centre – BSC Visiting Student • Pursuing my Physics Bachelor's thesis on quantum computing, focusing on clas- sical shadows. • Working in the Quantic group. • Supervisors: Prof. Bruno Julià, Dr. Artur Garcia.</div>	
<div>Present July 2024</div>	<div>Institute for Research in Biomedicine – IRB Research Intern • Examined DNA flexibility under damage using a coarse-grained model. • Optimised the model to account for DNA sequential damage. • Devised and implemented new methods to calculate DNA geometric properties. • Supervisor: Prof. Modesto Orozco.</div>	
<div>Aug. 2023 June 2023</div>	<div>Centre for Mathematical Research – CRM Research Intern • Studied transcendental dynamics within the complex exponential family. • Interpreted the results of Robert Devaney and Michal Krych for a specific param- eter value, providing a full description of the dynamics in this set. • Supervisors: Prof. Núria Fagella, Prof. Xavier Jarque.</div>	
HONOURS AND AWARDS		
<div>June 2025 Nov. 2024</div>	<div>Collaboration Scholarship • Issued by the Spanish Ministry of Education, this scholarship is aimed at university students to conduct research in university departments.</div>	<div>2,000 €</div>
<div>June 2025 Oct. 2024</div>	<div>CRM Internship Programme (declined) • Awarded to bachelor students who want to do their Bachelor's thesis advised by a researcher affiliated with the CRM.</div>	<div>500 €</div>

Sept. 2024 July 2024	Maths4Life Awardee 1,200 € <ul style="list-style-type: none"> Awarded one of the five grants from IRB Barcelona's Maths4Life Programme to conduct research at the intersection of mathematics and biomedicine.
<i>Present</i> Sept. 2021	Excellent Performance 1,500 € <ul style="list-style-type: none"> Recipient of the University of Barcelona's honour for exceptional academic performance throughout my university studies.
Sept. 2021 Sept. 2020	Honours in Baccalaureate 1,700 € <ul style="list-style-type: none"> Awarded to students with an excellent academic record during their baccalaureate. Full coverage of tuition fees for the first year of university.
Oct. 2019 Jan. 2019	Mad for Science Programme <ul style="list-style-type: none"> Catalunya La Pedrera Foundation developed the Mad for Science Programme to open the doors of the leading research institutes to exceptional High School students. I participated in the Physics course.

INVITED TALKS

Sept. 2024	Extraordinary BioMed Seminar – Maths4Life 2024 <ul style="list-style-type: none"> In this seminar organised by IRB, I presented my research work undertaken as a summer intern.
Aug. 2023	Barcelona Introduction to Mathematical Research – BIMR 2024 <ul style="list-style-type: none"> Presented the results of my summer internship at CRM to an expert audience.
